

## **Second Meeting For Healthy Homes Set For May 17<sup>th</sup>**

NEWPORT, NH--The Greater Sullivan County Public Health Network has announced the second meeting for Healthy Homes on May 17th. "If you couldn't make the first meeting, this is still a great opportunity to get acquainted with our latest endeavor," said Thomas de Masi, Greater Sullivan County One-Touch Coordinator. "This is our most important meeting yet. We'll be unveiling our concept for One-Touch: an innovative, grassroots way to dramatically decrease household hazards for young people in a way that is so stunningly effective and efficient, the New Hampshire Department of Health and Human Services and the Centers for Disease Control and Prevention are even on board." The meeting will allow guests to socialize and network with their peers, listen to a One-Touch keynote, view the Newport Library Arts Center's latest exhibit, and enjoy hors d'oeuvres & refreshments.
